Path to Publish - the monthly AJP newsletter

The recent ASIP annual meeting at Experimental Biology in Orlando, FL, featured a career development and mentoring lunch on the topic of “Giving and Responding to Critical Evaluations of Manuscripts and Grants”, which included Editor in Chief of The American Journal of Pathology, Martha Furie. Main tips included- be thorough, be constructive, and be on time.

Did you know...

The ASIP annual meeting also included the Editorial Board meeting for The American Journal of Pathology.

Some highlights from AJP’s year:

-13% increase in total number of submissions.

-Submissions received from 47 different countries.

-Acceptance rate <39%

-Time to first decision for fully reviewed manuscripts- 36 days

-35 days from acceptance to online publication.

-Expanded scope! AJP now considers Foundational studies that incorporate deep learning, digital pathology, and artificial intelligence.
