Scientific Interest Group Networking Sessions and Poster Discussions

Tuesday, March 31, 2015
5:30 – 7:30 PM
- Biobanking
- Breast Cancer
- Club Hepatomania™ (Liver Pathobiology)
- Der Schadenklub (Cell Injury)
- Environmental and Toxicologic Pathology
- Immunohistochemistry & Microscopy
- Neuropathology
- Vascular and Mucosal Pathobiology
- Veterinary Pathobiology

Breast Cancer SIG Sponsored Session:
- Breast Cancer Workshop: Genetic and Phenotypic Diversity
  Saturday, March 28, 2015
  8:30 AM - 11:30 AM

Cell Injury SIG Sponsored Sessions:
- Inflammation and Wound Repair
  Saturday, March 28, 2015
  2:00PM - 5:00PM
- Programmed Non-Apoptotic Cell Death in Tissue Injury
  Monday, March 30, 2015
  8:30AM - 11:30AM
- Cell Injury Workshop: Scars and Souvenirs: Inflammation and Fibrosis in the Heart, Lung, and Skin
  Tuesday, March 31, 2015
  8:30AM - 11:30AM
- Histones, Inflammasomes, NETs and Cell/Organ Injury
  Wednesday, April 1, 2015
  8:30AM - 11:30AM

Environmental and Toxicologic Pathology SIG Sponsored Session:
- Environmental and Toxicologic Pathology Symposium: Air Pollution and Health Effects: Cognition, Neuropathology, Cardiovascular, and Metabolic Disease - What You Ought to Know by Now!
  Sunday, March 29, 2015
  2:00PM - 5:00PM

Immunohistochemistry and Microscopy SIG Sponsored Sessions:
  Saturday, March 28, 2015
  2:00PM - 5:00PM
- HCS Symposium: Advanced Imaging Techniques and Systems: Super Resolution Microscopy
  Sunday, March 29, 2015
8:30AM - 10:30AM
- Journal of Histochemistry & Cytochemistry Lecture
  Sunday, March 29, 2015
10:30 AM - 11:30 AM

Inflammation/Immunopathology SIG Sponsored Sessions:
- Inflammation and Wound Repair
  Saturday, March 28, 2015
  2:00PM - 5:00PM
- Signaling Through the Matrix in Inflammation, Autophagy and Angiogenesis
  Sunday, March 29, 2015
  2:00PM - 5:00PM

Liver Pathobiology SIG Sponsored Sessions:
- Liver Pathobiology Workshop: Cellular and Molecular Mechanisms of Liver Injury: Implications in Disease Pathogenesis
  Sunday, March 29, 2015
  8:30AM - 11:30AM
- Liver Pathobiology Symposium: Hepatic Regenerative Medicine: De-Liver-ing the Promethean Promise!
  Tuesday, March 31, 2015
  8:30AM - 11:30AM

Neoplasia/Growth Regulation SIG Sponsored Sessions:
- Workshop: Lessons From TCGA
  Monday, March 30, 2015
  8:30AM - 11:30AM
- Molecular and Cellular Basis of Disease: Neoplasia Mornings: Crossroads of Cancer Genetics and Epigenetics
  Tuesday, March 31, 2015
  8:30AM - 11:30AM
- Cotran Early Career Investigator Award Lecture: Dipak Panigrahy
  Cancer Progression: The Failure to Resolve?
  Tuesday, March 31, 2015
  2:00 PM - 3:00 PM
- Molecular and Cellular Basis of Disease: Neoplasia Mornings: SIPMeT Symposium: Cancer Stem Cells
  Wednesday, April 1, 2015
  8:30AM - 11:30AM

Neuropathology SIG Sponsored Sessions:
- Molecular and Cellular Basis of Disease: Neuropathology as a Paradigm for Disease Processes: Advances in the Understanding of Neural Development and Disease: Cells and Circuits
  Monday, March 30, 2015
  8:30AM - 11:30AM
- Molecular and Cellular Basis of Disease: Neuropathology as a Paradigm for Disease Processes: President's Symposium: Advances in Investigative Neuropathology
Pulmonary Pathology SIG Sponsored Session:
• Lung Symposium: Ontogeny and Injury
  Saturday, March 28, 2015
  8:30 AM - 11:30 AM

Regenerative Medicine SIG Sponsored Sessions:
• Liver Pathobiology Symposium: Hepatic Regenerative Medicine: De-Liver-ing the Promethean Promise!
  Tuesday, March 31, 2015
  8:30AM - 11:30AM
• Molecular and Cellular Basis of Disease: Neoplasia Mornings: SIPMeT Symposium: Cancer Stem Cells
  Wednesday, April 1, 2015
  8:30AM - 11:30AM

Vascular and Mucosal Pathobiology SIG Sponsored Sessions:
• Inflammation and Wound Repair
  Saturday, March 28, 2015
  2:00PM - 5:00PM
• Blood Vessel ClubTM: Macrophages in the Vessel Wall
  Sunday, March 29, 2015
  8:30AM - 11:30AM
• Modulators of Endothelial Cell Inflammation and Angiogenesis
  Tuesday, March 31, 2015
  8:30 AM - 11:30 AM
• Epithelial Junctions, Polarity and Cancer
  Tuesday, March 31, 2015
  2:00PM - 5:00PM

Veterinary Pathology SIG Sponsored Session:
• ACVP Symposium: Intestinal Microbiome: Lessons From Comparative Medicine
  Monday, March 30, 2015
  8:30AM - 11:30AM
